A TASTE OF SUFFOLK

Nethergate Brewery – Clare

The Brewery was established in 1986, in the small town of Clare. From the very beginning it set out to brew distinctive beers of a consistent quality, this being quickly recognised in the many awards won at beer festivals throughout the region.

The beers brewed mostly exhibited special features, such as the coriander flavoured Umbel ales, (coriander was much used before hops became cheaply available), or Old Growler itself, a dark porter which is their most famous beer

Old Growler Porter 5.0 % abv 500ml £6.75
This famous porter has won at the CAMRA winter festival twice, the only brewery to do so, first in 1998 and again in 2003, also winning the highest accolade Supreme Champion in 2003. Also Supreme Champion at the Chicago International Beer Festival in 2004, in the porter category. A complex, satisfying porter, smooth and distinctive. Roast malt and fruit feature in the palate. The finish is powerfully hoppy with a hint of liquorice.

Maldons Brewery – Sudbury

Since 1795, the name Maldons has been associated with well respected, award winning traditional beers. From their micro brewery in Sudbury, they produce traditional bitters, stouts, and porters. Here are two light coloured bitters

Suffolk Pride 4,8%abv – 500ml £7.25
This is a full bodied strong bitter, light in colour with a powerful bouquet of hops and developed fruit with a deep dry finish.

Silver Adder 4,2% abv – 500ml £7.00
This is a light colour bitter with fine hop and malt combinations giving a refreshing crisp finish.

Green King – Bury St Edmunds

Greene King brews all of its beers in Bury St Edmunds, where ale has been a feature of life since at least as far back as 1086. But they've taken the traditional art of brewing to new heights, producing what is arguably the finest range of cask ales in the country.

No other UK brewer is as committed to cask ale.

Light Ale 3% abv - 275ml £3.00
The beer consists of the ingredients, barley, water, yeast and hops. Brewed by cask, it arrives in an opaque, light brown colour. From the bottle, Greene King pours with a nice, gentle head i.e. not too frothy. It has a long, dry finish with a pleasant after-taste.
